

Certificate of printer stability

THE ON-DEMAND ENTERPRISE

Citrix Presentation Server 4.0 Windows 2003

Kyocera FS-3900DN

Commaxx AS has conducted a series of tests on the printer-drivers herein defined. The tests have proven the printer-drivers to be stable, and not to cause any problems in the environment as tested.

The tests have been conducted in the following environment:

Operating system:

- Windows 2003 Server

Installed software:

- Metaframe Presentation Server 4.0
- Office 2003 English Version SP2
- ICA Client, version 9.150
- Adobe Reader 7.0.7
- Internet Explorer 6.0.3790 SP1

Patches and fixes:

Microsoft: KB896422, 896424, 89642428, 898715, 899587, 899588, 899589, 899591, 900725, 901017, 901214, 902400, 904706, 905414, 908519, 908531, 910437, 890046, 911562, 911567, 919227, 912812, 912919, 913446, 896358, 893756, 917159, 917344,

917422, 917537, 917734, 917953, 918439, 918899, 990214, 920670, 920683, 920685, 921398, 921883, 928582, 922616, 925486, 914389, 991280, 914388, 833407 og SP1
Citrix PSE400W2K3056, 032, 027, 009, 031, 007, 005, 011, 023, 002, 049, 044, 042, 036, 013, 047, 074, 076, R1 og R02

Client configuration:

- Windows 2003 servers
- XP Pro
- ICA Client version 9.150
